Most Respected Sir

Having been given to understand that the Nab Buckshy or Sheristadarship in the Chief Comm^rs Treasury is vacant I most respectfully beg to avail myself of this opportunity of bringing these few lines to your kind consideration & beg to be pardoned for the intrusion

That it is 16 years since I have been brought under your Control & protection (of which 6 years in the Chief Comm^rs & the remaining 10 years in the Provincial Account Department) during which period I humbly trust I have conducted my duties to your honors satisfaction. Prior to which I was employed in the Madras Railway as a Cash keeper for upwards of 4 years, and altho the security I furnished was only for Rupees 3000 yet 40 or 50 thousands of Rupees were always entrusted to my care This responsible duty I am happy to say has been discharged by me honestly & satisfactorily as will be seen from the enclosed testimonials marked A given by several Gentlemen. Even under your Honors Control it was my constant

endeavors

endeavours to secure your good will and opinion.

As to the respectability and merit of my family I beg to enclose herein some of my father's testimonials marked B, which I most earnestly entreat that your Gracious Honor will kindly peruse, from which it would be seen that my father was not only holding responsible posts under British Officers but also was a well known Merchant in Bangalore & dealt with several European Gentlemen with honesty & integrity & I humbly think it may not be out of place to mention here that on the recommendation of General Marjoram my father was promised by Sir Mark Cubbon the post of Buckaly but unfortunately to our family he died soon afterwards.

Should I be so fortunate as to succeed in my attempt I beg to state that I shall furnish security for the amount required

For which act of kindness I & my large family shall ever pray for your long life & prosperity
